

CHANGELOG

SPACE ENGINE ARCHIVE PROJECT

Made by Loic Tomatot

SUMMARY :

1.0 : THE UPDATE 2

1.0 : THE UPDATE

- Improved display of the profile page preview on Discord/Twitter
- Creation of a log system visible only by the website staff
- The tools accessible by users are now located in the navigation bar, instead of through the profile page.
- Create a disappearing animation for notification messages below the navigation bar

Bugs fixes / Modifications :

- Unable to create an account
- It was impossible to delete a screenshot of an existing discovery
- Updating the latest translations
